Dear Kris

I wanted to write to you to say thank you for the work you have done for me for the last 13 years. As you know my property management business is a very personal enterprise and it is most important that any trades I employ follow the same ethics that I adhere to, the biggest of which is communication. You have more than exceeded my expectations and I couldn't recommend you more highly. In fact many of my owners have used you for their own home which is a compliment in itself.

I look forward to working together in the future, keep up the good work.

Kind regards
